

PRIA Local - Informational Webinar May 7, 2020 - 10:30 AM CDT

Dear PRIA Local Partners:

Even though our current state prevents us from meeting in-person, there is still much going on within our industry and that news must be shared and discussed.

Your Wisconsin PRIA Local co-chairs, **Staci Hoffman**, Register of Deeds in Jefferson County and **Scott Moore**, VP of Sales for Fidlar Technologies invite you to a webinar on **May 7th** where we will discuss the new notary initiatives which were recently established in response to the Covid-19 Pandemic. Here are your panelists:

Staci Hoffman

**Register of Deeds,
Jefferson County**

Staci will outline new notarial legislation as it relates to the Register of Deeds office.

Cheri Hipenbecker

**WLTA President
Knight Barry Title**

Cheri will discuss how new notary legislation is affecting the title industry.

Samantha Budzyn

Nexsys Technologies

Samantha will provide a demo of both electronic and remote notary technology so we can learn how the entire process works.

We will be using gotowebinar for this meeting. The panelists will appear on video tiles and you will have the ability to virtually ask questions. The gotowebinar details are provided below.
